Environments Through Imagery

Maxibit Solo

Use for single or double-sided banner applications.

Exchange banners in the field without tools or tinkering.

Add drama to your message with the sleek Solo spotlight.

Exchangeable graphics distributed in C4-envelopes.

Solo Banner.

Make an impression anywhere.

Stand out in any crowd with the Solo Portable Banner Stand. Solo is expressly designed to make a big impression at a very small price. Solo achieves a worldfirst in combining affordability, durability and sheer quality. Solo is guaranteed to grab people's attention, without grabbing too much of your budget. It allows you to express yourself with high impact messages at any height between 88 and 225 cm. And it will carry a visual graphic on both sides, giving you double the impact and value! You can also create an eye-catching backdrop. When done, Solo simply folds down and fits into a handy nylon carrying bag. Powerful, portable and professional, Solo literally stands alone.

Solo Backdrop.

A wall of intrigue.

Communicate your message in grand style using affordable Solo Backdrop. Solo Backdrop lends power to your presentations and simplicity to your assembly. Attach several Solos next to one another using the polarized magnetic ends and you have a complete display in minutes. Use in single or double-sided applications and at various heights. The Solo Backdrop is designed to be used over and over again, making it a very cost-effective marketing vehicle.

Exchange banners in the field without tools or tinkering.

Polarized magnetic strips for seamless precision.

Use for front and back exposure.

Free-standing banner stand or backdrop.

Marketing made portable.

The Maxibit line of products are designed to strengthen face-to-face meetings with clients and prospects everywhere – at conferences, malls, expos, tradeshow, airports, lobbies, meeting rooms and more.

Whether to launch a new product or land a new account, our products are used all over the world to make each encounter memorable.
