**Ideas**

**How big do you want it?**

Unlimited in size, Stage is perfect for anything from the medium sized backdrop to the super sized trade fair. Stage is easy to mount regardless of size, meaning you won't have to mobilise half the office to build it – two should be enough. Graphics are exchanged easily and the same print can be used curved or straight, single or double-sided, giving you a system that changes when you need it to.

**Why choose a Stage**

- Modular system for full flexibility
- Quick and easy to set up
- Single or double sided
- Use the same graphics for different shapes
- Hang from the ceiling or use free standing
